Joint Operational Programme “Black Sea Basin 2007-2013” - Our Projects -

A clear environment for our future

Priority 2 - Sharing resources and competencies for environmental protection and conservation

Measure 2.3 - Promotion of cooperation initiatives aimed at innovation in technologies and management of Waste and Wastewater Management Systems

Common borders. Common solutions.

About the project:

Duration: 24 months

Total Project Budget: 568,786.38 Euro

Total Grant ENPI: 418,936.45 Euro

Total Grant IPA: 92,924.74 Euro

Start / End Dates: 12.06.2013 - 11.06.2015

Overall Objective:

The project is aiming to implement common policies in order to improve and protect the environment situation in partner-regions from the Black Sea Basin as a condition for sustainable economic development.

Specific Objectives:

1. To improve the knowledge and experience in the field of efficient management of household wastes and of wastes' recycling system in partner regions.
2. To work out a Joint Action Plan of partners for environment protection in the Black Sea Basin.
3. To raise awareness of the population from partner-regions on correct managing of household wastes and protection of rivers, in particular, and environment, in general.

Main Activities:

- Increasing the stakeholders' informing level through trainings, study visits, focus groups and clean-up days.
- Elaboration of the Joint Action Plan for environment protection in the Black Sea Basin for the period 2012-2015.
- Elaboration of "Impact of household wastes on environment" study.
- Business Ecological Mission.

Expected results:

- Proposals regarding operative actions for improvement of environmental situation will be formulated by specialized institutions.
- Operational framework for protection actions in order to improve environment situation in Black Sea Basin will be worked out.
- Permanent sources of environment's pollution will be liquidated in all 4 partner regions.
- The ecologic situation of localities and population's health in partner regions will be improved.
- About 50 % of the population from the four partner countries will be informed about the necessity to correctly manage household wastes.

Partnership:

Beneficiary:

SC "Amen-Ver" SA, Republic of Moldova

Partners:

Public Service "Ecosal", Romania

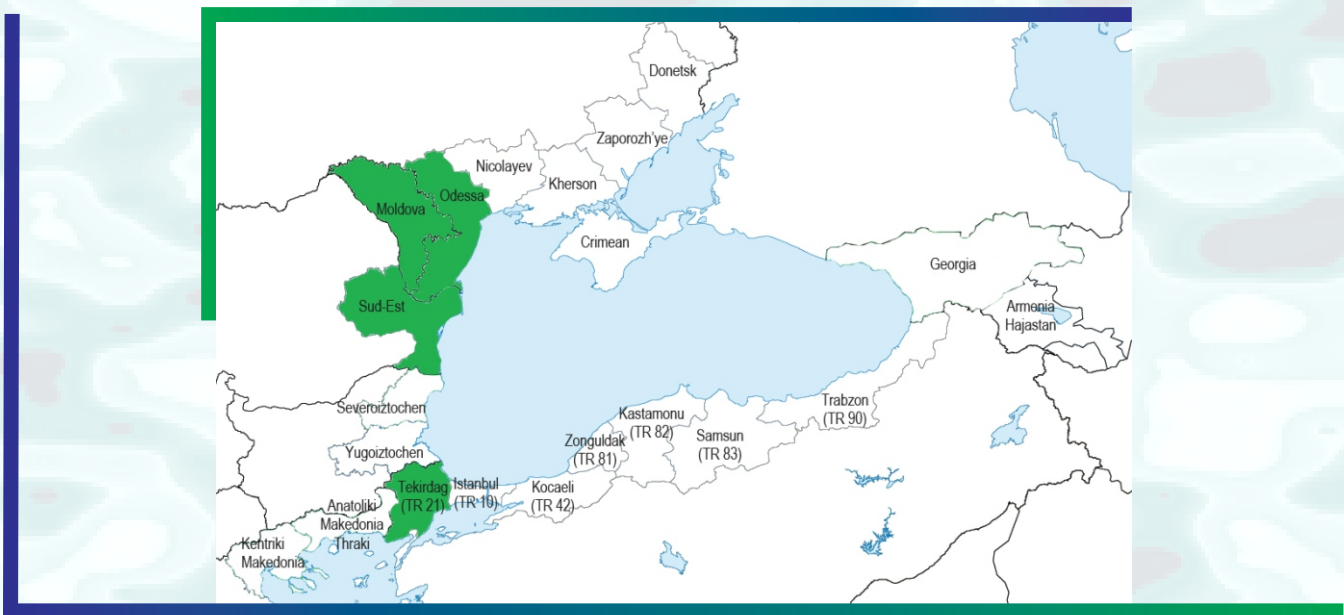

- The establishment of communal service and construction of Kotovsk Town's Rada, Ukraine
- UZUNKOPRU Municipality, Turkey

Associates:

Ecological Inspection Orhei, Republic of Moldova
