Joint Operational Programme “Black Sea Basin 2007-2013” - Our Projects -

Efficient Educational Management Network for LLL in the Black Sea Basin

Priority 3 - Supporting cultural and educational networks for the establishment of a common cultural environment in the Basin

Measure 3.1 - Promoting cultural networking and educational exchange in the Black Sea Basin communities

Common borders. Common solutions.

About the project:

Duration: 18 months

Total Project Budget: 264,964.20 Euro

Total Grant ENPI: 186,870.78 Euro

Total Grant IPA: 51,597.00 Euro

Start / end Dates: 21.06.2013 - 20.12.2013

Overall Objective:

The project is aiming to build capacities for networking and trans-national transfer of good practices of educational management in a multicultural environment, in view of strengthening the Education and Training systems in the Black Sea Basin and promoting regional development of Lifelong Learning.

Specific Objectives:

1. To promote trans-national networking among educational institutions and other relevant stakeholders in the Black Sea Basin;
2. To strengthen institutional educational management capacities at the local, regional and national level in Bulgaria, Moldova, Georgia, Romania, Turkey and Ukraine;
3. To develop context-sensitive regional policy plans for the promotion of efficient educational management in the target regions, in view of responding to the changing demands of society and the world of work in a knowledge-based economy and multicultural contexts;
4. To raise awareness of the EU modernization agenda in the field of education and culture.

Main Activities:

- Organizing local workshops aimed at generating recommendations for improving the educational management capacities of the participating educational institutions - on the basis of exchange of experience and good practices - and carrying out feasibility assessments of the proposed initiatives and reforms;
- Organizing an online competition for good practices of education management in the Black Sea Basin;
- Establishing of a Black Sea Network for the Promotion of Efficient Educational Management (MANAGE.EDU Network);
- Development of a pilot training programme for education managers in the Black Sea Basin (including a Handbook to aid the training process and online training modules);
- Creating 6 pilot RAPs for the promotion of efficient educational management in the 6 MANAGE.EDU region;
- Organizing an International Fair on Modern Education and LLL in the Black Sea Basin;
- Development of Guidebook of Good Practices in Educational Management.

Expected results:

- 50 recommendations for improving the educational management capacities in the MANAGE.EDU countries;
- 270 stakeholders mobilized to develop and implement joint initiatives;
- 25 stakeholder institutions from the Black Sea Basin joined together in a Network;
- A functional virtual place for networking, peer learning, exchange of information and access to knowledge on educational management and modernization agendas in education;
- Accessible training program for education managers in the Black Sea Basin;
- Strategic, context-sensitive and needs-sensitive policy plans in the six MANAGE.EDU regions;
- Strengthened habits of networking, multicultural exchange and joint problem solving in the sphere of education in the Black Sea Basin.
