PRESS RELEASE

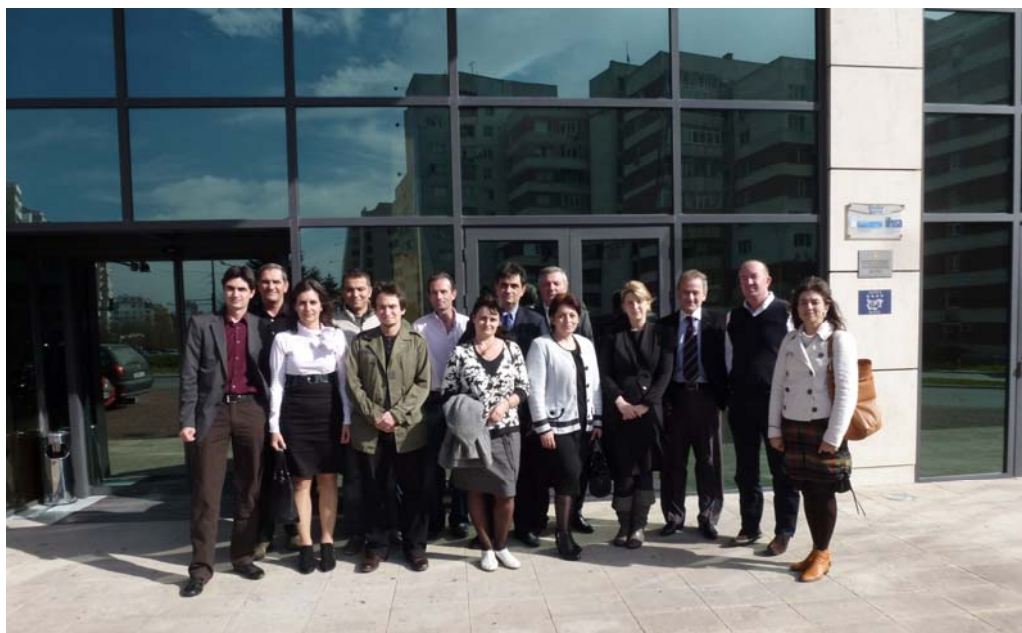

Project “Regional Cooperation for Black Sea River Basins Environment Protection from Agricultural Polluters” REPAIR

Grant Contract № 2.2.1.73799.317_MIS-ETC 1638, BSB JOP 2007-2013

1st Workshop Meeting, 28-29 October 2013, Varna, Bulgaria

Organized by: Black Sea - Danube Coastal Association for Research and Development (BDCA)

The first workshop of the Project “Regional Cooperation for Black Sea River Basins Environment Protection from Agricultural Polluters” (REPAIR) was held on 28 and 29 October 2013 in Varna, Bulgaria, Business Hotel Golden Tulip, Hall ‘Mone’. Overall project objectives are to contribute to strengthening partnership and cooperation in the Black Sea region and working together to promote the solution of common problems of environment protection sustainability. Project partners are: ABC Group - Georgia, AHDER – Turkey, CCEG – Romania, PRI- Moldova, REC- Moldova, BDCA – Bulgaria. Meeting was organised and hosted by the BDCA, Bulgaria. Representatives of all project partners participated in the workshop.

The project progress, current activities, and forthcoming activities have been discussed in details, together with some financial and organizational issues. Basic conclusion and recommendation have been advised during the round table.
