

## PRESS RELEASE

# Project “Regional Cooperation for Black Sea River Basins Environment Protection from Agricultural Polluters” REPAIR

Grant Contract № 2.2.1.73799.317\_MIS-ETC 1638, BSB JOP 2007-2013

## Meeting with Stakeholders in the Frame of EU Project

**Organized by: Agro Business Consulting (ABC)**

On January 31, 2014 meeting with stakeholders of the Project “Regional Cooperation for Black Sea River Basins Environment Protection from Agricultural Polluters” REPAIR was organized and hosted by Agro Business Consulting at Beaumonde Garden Hotel in Tbilisi, Georgia.

A broad spectrum of stakeholders attended a meeting representing the central and local government from project covered area, project area environmental direction NGOs, farmer unions, and associations, civil organizations.

Speakers overviewed project REPAIR priorities, objectives and future phase of the programme BSB JOP 2014-2020. Experts highlighted the results of the first stage of the project. Participants talked about water quality of rivers of Georgia, quality of pollution of potable water, importance of existing methodology to protect rivers from agricultural polluters, necessities and issues of the people of project covered areas.

The guests draw crucial recommendations regarding the issues mentioned above. The project REPAIR itself and the similar projects are prominent and essential for environmental protection and advancement of the quality of life of the people living in the project covered areas.
