

# Guideline for Black Sea Basin Community

The Black Sea Basin Community is hosted by the programme website, <https://blacksea-cbc.net/>, section Communication ➡ BSB Community

From here, is very easy to access the database with project ideas and partners ready for the first call for proposals. For doing so, the first step is to register, or log in, if already existed.

## STEP 1 Register now

Access the **red tab** to create an account on the website.

Username \*

Password \*

Confirm Password \*

Email Address \*

## Step 2: Profile

Organisation Name \*

Legal Status \*

- ☐ Public  
☐ Private

Type of organization \*

Country \*

City \*

Area of competencies \*

- ☐ research and innovation and technology transfer  
☐ climate change adaptation, and disaster risk prevention, resilience  
☐ protection and preservation of nature, biodiversity, and green infrastructure, including in urban areas, and reducing all forms of pollution

Experience in BSB programmes \*

- ☐ Yes  
☐ No

Experience in international programmes \*

- ☐ Yes  
☐ No

Contact person \*

Contact person email \*

Phone \*

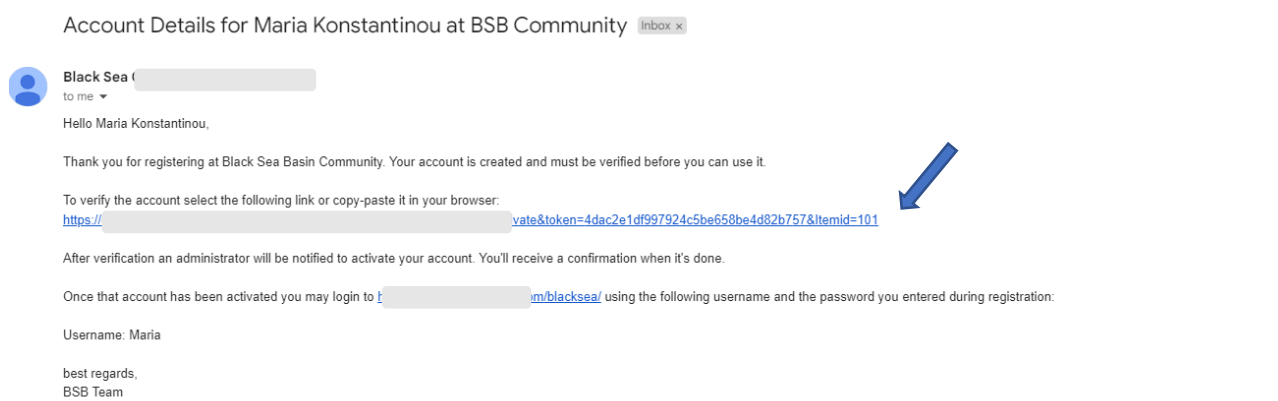

☐ By submitting this form, you agree and consent to the personal data which you provide to the Black Sea Basin programme in this form is processed, collected, used, disclosed and/or retained in accordance with [Privacy Policy & Legal Notice](#). \*

Save

After saving the information, you are notified that your account has been created and a verification link has been sent to the email address you entered.

Note that you must verify the account by selecting the verification link when you get the email and then the administrator will activate your account before you can log in.

Accessing the link, you will be informed that your email address has been verified.

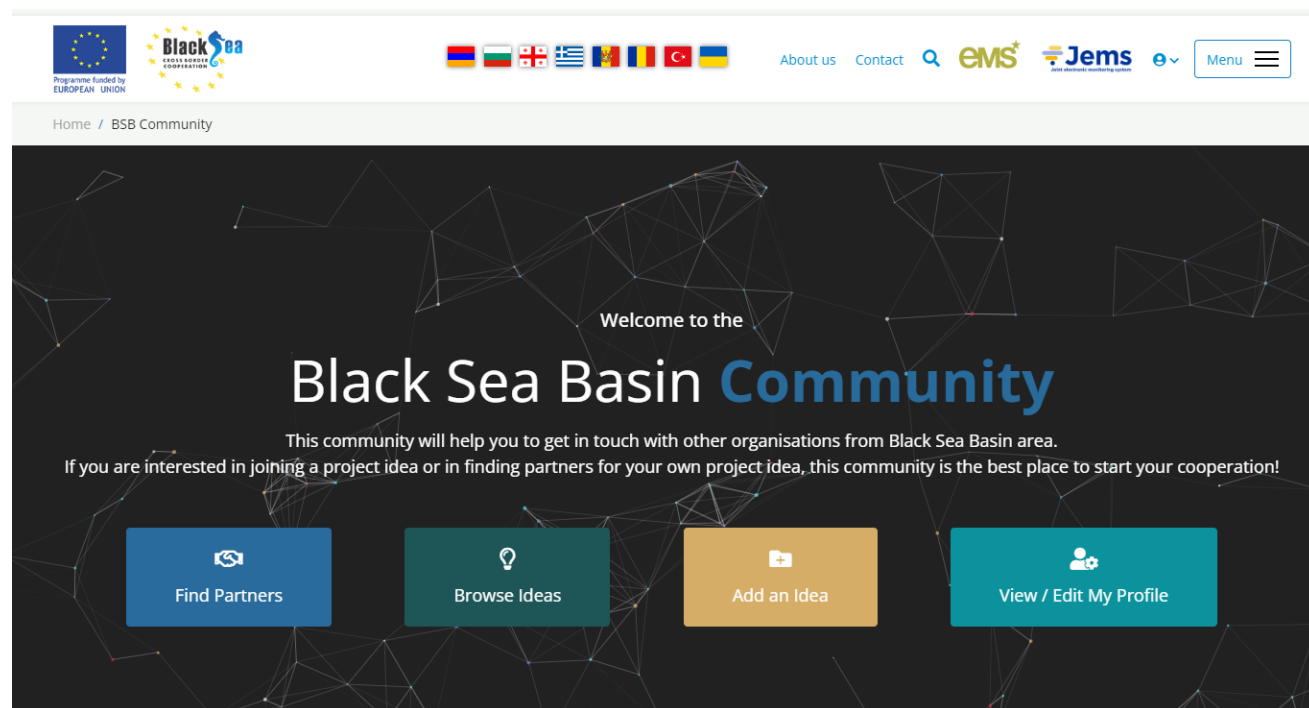

Once an administrator approves your account, you will be notified by email and you can log in to the site.

## STEP 2 Log in

You can now log in using the username and the password you chose while registering and this is what you will find in the community!

## Section Find Partners

You can search by word or filter the fields (one, several or all the fields might be selected).
