DACIAT

Project title: Improving the existing competences and developing new ones in the aquaculture and fish products trade sector

Programme Priority: 1.2 Increase cross-border trade opportunities and modernisation in the agricultural and connected sectors

Common borders. Common solutions.

ABOUT THE PROJECT

Duration

24 months

Start date

21 November 2018

Total value

€ 682 883.57

ENI contribution

€ 628 252.87

OVERVIEW

The project was born from partners' desire to improve existing **competences in the field of aquaculture** and its related fields in the Black Sea Basin. It builds on a consolidated experience of exchange by moving towards concrete transfer of **good practices in 4 Black Sea regions** aiming to improve their competences, especially in what concerns support for **aquaculture SMEs**.

PARTNERSHIP

Lead Beneficiary

- Danube Delta National Institute for Research and Development (Romania)

EXPECTED RESULTS

- A Consolidated Report on **State of the Art Analyses in the field of aquaculture** including an **inventory on most valuable fish species in aquaculture** in Black Sea partner territories;
- A **Common guidelines for aquaculture entrepreneurs** with all the necessary procedures and steps to be followed in order to start or to develop a business in this field;
- **A set of relevant marketing strategies** in all partner regions for **aquaculture products** with a focus on small scale businesses;
- **A database** with at least **18 examples of good practices** in the field of aquaculture in the Black Sea region;
- **An Aquaculture Virtual Center of Competences** as an open access web platform that will primarily serve as a cross-border business & logistics information exchange system;
- A **concrete set of policy recommendations/ proposals for policy improvements** mainstreamed towards responsible institutions or organizations.
