EXPECTED RESULTS

- **5 Studies** of the current status of the **international trade** indicating the **agricultural and connected products** that are mostly demanded (imported) in and offered (produced - exported) from each participating country;
- **5 BRIDGES events** in each partner country where 40 producers/sellers from the host region will meet with buyers from all the other participating regions in pre-defined meetings;
- **1 ICT training tool** to support the international traders-to-be enterprises;
- **Trading Bridges Network** supporting agricultural SMEs (buyers & sellers) to undertake international trading initiatives;
